

## The Ultraflat 79 floor drain DN 50, Des grating, L&L, Megastop

### Article information

Item no.: 44700.66  
 GTIN: 4026092081105  
 Price group: 10

### Advantages

- Low installation depth
- Scientifically confirmed sound insulation effect
- different design covers

### Description

The Ultraflat 79 floor drain is suitable for indoor floor drainage. The polymer drain is equipped with a removable odour trap in the upper section.

#### Variant

|                       |               |
|-----------------------|---------------|
| System:               | 125           |
| SonicControl:         | optional      |
| Backflow preventer:   | up to 0.1 bar |
| Sealing water height: | 10 mm         |

#### General characteristics

|                      |           |
|----------------------|-----------|
| Standard:            | EN 1253-1 |
| Nominal size (DN):   | 50        |
| Outer diameter (OD): | 50 mm     |

#### Dimensions

|                      |                                     |
|----------------------|-------------------------------------|
| Vertical adjustment: | 95 - 145 mm                         |
| Net weight:          | 0,87 kg                             |
| Gross weight:        | 1,03 kg                             |
| Vertical adjustment: | vertically adjustable upper section |
| Length:              | 227 mm                              |
| Width:               | 163 mm                              |
| Height:              | 79 mm                               |
| Packaging dimension: | length                              |
| Packaging dimension: | width                               |
| Packaging dimension: | height                              |

|                         |                                                     |
|-------------------------|-----------------------------------------------------|
| Tank/drain body         |                                                     |
| Number of outlets:      | 1                                                   |
| Material of drain body: | ABS                                                 |
| System:                 | lateral                                             |
| Coverage features       |                                                     |
| Type of cover:          | Design cover                                        |
| Cover material:         | Stainless steel 14301                               |
| Colour of cover:        | silver                                              |
| Width of cover:         | 120 mm                                              |
| Height of cover:        | 16 mm                                               |
| Length of cover:        | 120 mm                                              |
| Surface:                | ground                                              |
| Frame material:         | Stainless steel 14301                               |
| Cover locking:          | Lock & Lift                                         |
| Load class:             | L 15 (EN 1253-1)                                    |
| Grating colour:         | Kessel                                              |
| Slip resistance class:  | R9 according to DIN 51130; C according to DIN 51097 |
| Rim length:             | 132 mm                                              |
| Rim material:           | 132 mm                                              |
| Shape of upper section: | square                                              |
| Upper section material: | ABS                                                 |
| Odour trap:             | Megastop                                            |
